IFEMA

SERVICE PORTFOLIO

- ▶ Among the services which are exclusively offered by IFEMA, and therefore must be directly ordered to them, there are services such as: compressed air, water supplies, internet Wi-Fi, stands cleaning etc...
- ▶ The deadline for requesting these services is THIRTY (30) days before the Set-up Date. IFEMA reserves its right to reject requests after this date.
- ▶ In case the requested services are accepted within the FIFTEEN (15) days before the Set-Up starts, during the Set-Up or the Event, IFEMA will charge a fee of 25% of the established rate.
- ▶ A service can be cancelled within the FIFTEEN (15) days before the Set-Up starts or during the Set-Up with a fee of 40% of the Rate. In case a service already done is cancelled, the 100% of the rate must be paid.
- ▶ IFEMA will set a merchandise access control, in order to allow entrance only to those exhibitors who had already paid the requested services related to IFEMA's service portfolio.
